SMC Summer Intern Updates:

We made it to Orlando! We arrived early Monday morning for a day of Servant Project Leader training and packing t-shirts for participating youth groups and adults. Some of us were anxious about the responsibility to get large groups of rowdy students to their service site and back in one piece. But all of us have stepped up to the role and have enjoyed it so far! We have served at food pantries, historical gardens, parks/lakes, drug rehab centers, and more! Thank you for your prayers while we served in Orlando this past week!
