Souderton Mennonite Church is excited to be partnering with Souderton Area School District to show the movie, "SCREENAGERS." Use of technology is a source of tension and concern in many households.

SCREENAGERS uses funny and touching stories and scientific research to show how tech time impacts kids' social, emotional and physical development. The professionals offer adults practical solutions to empower the kids in their lives to navigate the digital world in a wise and healthy manner. This movie is recommended to be viewed by parents with their teens and/or youth over age 10. **Please plan to attend the free showing at Indian Valley Middle School on April 4, 2018 at 7pm.**
